## European 3x3 Wheelchair Basketball Tournament

Dear Madam, Dear Sir

We are looking forward to welcoming you at the end of June to the FIBA 3X3 Europe Cup 2020 in Antwerp. Following this championship, a European Wheelchair Basketball tournament will be organised on Saturday 27th of June in cooperation with Wapper vzw and IWBF Europe Development. This will be an excellent occasion to promote our sport at a big event, and to encourage athletes who are currently under-exposed.

This tournament will take place on **Saturday 27th June in Antwerp**. The event will take place in the centre of Antwerp on a typical outdoor basketball square (Sint-Andriesplaats). We will install a 3x3 basketball floor over there. An indoor location is provided as a backup. A maximum of 12 (mixed gender) teams can be registered, first come first serve!

Teams are responsible for their own transport to Antwerp. If you need help in transport from the airport, we can help you but the costs will be charged.

On site in Antwerp we can provide transport.

What we can offer:

- ★ **Lunch & Dinner** at a special price of 10 euro per person (Salad buffet, chicken & veggie);
- ★ **Parking places** for each team;
- ★ **A secured area** which teams can use and leave their equipment safely;
- ★ **Special reduced rate** at the Mercure Antwerp City Centre **Hotel**
  - Twin room Bed and Breakfast for 145,00 euro per night.
  - Booking by LOC
